## Hello Parents and Carers!

We have had a fun packed week in Nursery. Your children are continuing to make friends and interact with each other, which is lovely to see.

### Our Learning

#### This Week

We have continued to share the story Brown Bear, Brown Bear, What Do You See?

By Bill Martin Jr and Eric Carle

<https://www.youtube.com/watch?v=Mc9My7TnxFU>

We even thought about other animals that could be in the book and what colour they would be.

In Phonics, the children have been exploring making noises using their voices. These noises included those that are made by animals and those noises they can hear in the environment.

This week each child was given their first **library book** to share with an adult at home. **Please keep our books away from younger siblings and babies!** Please ensure the book is in your child's book bag to be changed the following week.

#### Next Week

We will be continuing to discuss the story 'Brown Bear, Brown Bear, What do you see?' as the children have enjoyed repeating the story by themselves.

In Maths we will continue to explore the number 2, including different ways the number can be represented.

We will also be going on an autumn walk around the school grounds to look for signs of autumn.

### General Notices

#### Home Time

***Please can parents queue in single file at the doors when collecting and not push forward!***

Your child's **safety** is **extremely** important to us. We ask that you form a queue and continue to be patient when we are calling your children's names. If somebody different is picking up your child, you must inform staff or call the school before pick up time. We will not send your child home if you do not inform staff of any changes. Therefore, please let us know in advance.

#### Spare Clothes!

***We are very short on pants and socks! Also if you have any black plimsolls looking for a home they are very welcome here.***

#### Health & Hygiene

Children should be entering the nursery without nappies or pull-ups. Please support children at home by encouraging them to be independent when going to the toilet. The Children's Centre (next door) may be able to provide support to parents in this area. We ask you to register with them as quickly as possible.

Please ensure your child's nails are cut short and filed down.

We ask that you teach and show children how to properly clean their runny noses so that we can limit germs spreading within Nursery.

#### Punctuality & Absence

If your child is going to be absent, for whatever reason, please ensure that you ring the school office by 8.40am on 020 8573 3389 pressing **option 1** and leaving a message, stating your child's full name, class, and reason for absence.

Thank you, Nursery staff 😊
