It is with great sadness that we wish to inform you that on Monday 17th June 2024, after a long and extremely brave battle with sickness Yeading Infant School pupil, Jacob from Topaz class's journey came to an end. As a school we wish to send our deepest and heartfelt condolences to the family at this incredible difficult time. Jacob had an extraordinary impact on this world in his short time here and he will always be remembered and cherished by his classmates and all those who had the privilege of knowing him. Jacob's memory will continue to inspire and uplift us all, many years into the future. Over the coming weeks, we will be supporting all the children at this challenging time and offering comfort for all his friends.
