

## Rhyme of the Week

### Summer Playing Song

(Sing to the tune of 'Wind the Bobbin Up'.)

Look, the sun's come out! Look, the sun's come out!

Hot, hot, bright blue sky.

In the paddling pool. In the paddling pool.

Cool, cool, splash, splash, splash.

Play in the garden, play in the pool,

Play in the woods where it's dark and cool.

Children play together in the sun.

Summertime is lots of fun.

## What We're Learning This Week!

### Literacy

**This week:** we have been retelling the story of 'The Little Red Hen'.

**Next week:** We will be writing about our favourite part of the story using a range of conjunctions such as: because, and, so, but, or.

**Homework** - Continue to look at "The Little Red Hen" story map and work on retelling and sequencing the story with your child.

### Phonics

**This week:** we have been consolidating work on Phase 4 and 5 of the phonics: a-e for cake, ai for vain, ay for pay. We have also looked at the tricky word 'should'.

**Next week-** we will continue to consolidate all the sounds from phase 4 and 5 such as: ee for bee, e-e for extreme, ea for pea and ey for key.

**Homework** - Children should now be writing sentences independently using their knowledge of Phase 2/3/4/5 supported by tricky words. **PHONICS**

**HOMEWORK BOOK PAGES ARE: P.46-P.50 (WEEK 10)**

### Maths

**This week-** we have been learning about length and height. We had lots of fun ordering each other from tallest to shortest as a whole class!

**'Key words: short, shorter, shortest, long, longer, longest, tall, taller, tallest.**

**Next week-** Our topic for next week is 'weight'. Children will be learning how to estimate the weight of items by becoming human weighing scales! We will also be comparing weight. For example, 'the apple weighs more than the paper clip because it is heavier'.

**Key words:** Heavy, heavier, heaviest, light, lighter, lightest.

**Homework-** Please gather a range of household items and ask your child to estimate which one is the heaviest and which one is the lightest.

### Foundation subjects:
