

PINS coffee morning

Yeading Infant school
8th October 9am onwards

Dear Parent Carers

We are pleased to advise you that Yeading Infant School is participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) programme, which aims to improve support for children with additional needs.

As part of the project we will be holding 2 coffee mornings (1 per term)
The aim of this coffee morning is for myself Louise Harvey and Nicola Barton from Hillingdon parent carers forum to meet informally with you, parent carers of children with Special Educational Needs and Disability (SEND); no diagnosis or EHCP is required. We will tell you about HPCF, who we are and what we do. Discuss concerns with parents regarding their neurodiverse child/children. We will look to identify recurring themes. Ensure that parent carers have their voices heard by the school. Bring parent carers together to share experiences. We hope to work with parent carers of neurodiverse children to strengthen their relationships with their school.

Please try to join us and encourage other parent carers to come along too.

We look forward to seeing you.

Literacy

This week we have created questions to ask Handa and Akeyo from our story. They also began to sequence events within our story.

Next week The main learning theme is to be able to use adjectives and simple connectives like "and & because". We will be looking at using capital letters at the start of the sentence and full stops at the end.

Home learning- Presentation/expectations

Please practise applying cursive handwriting along with the size and formation with your child.

Keywords: Title - character - setting - beginning - middle - end - Who - how-when - where -why

Maths

This week we have been ordering numbers from greatest to smallest as well as smallest to greatest. We have been doing lots of practical activities so that children are able to have a clear understanding of how to order numbers and use the ordinal terms (1st, 2nd ect as well as first and last).

Next week we will continue with ordering numbers and solving simple worded problems.

Home learning - please practise reading and writing of numbers in both numerals and words (up to 10).

Children also need to consolidate their fluency with greater than /less than. Children can use this song to support with recall of greater/less than and equal to.
