Roo	98.7%
Ruby	93.5%
Amethyst	97.9%
Topaz	96.1%
Amber	98.1%
Diamond	97.2%
Pearl	98.6%
Sapphire	96.2%
Emerald	93.0%

Literacy

This week we have been sequencing the story and writing about the story 'The Very Hungry Caterpillar'.

Next week we are going to write a list of things the caterpillar ate.

Please talk to the children prior to the lesson for example:

Why do we write lists?

<https://www.youtube.com/watch?v=75NQK-Sm1YY>

Homework – Please ask comprehensive questions about the caterpillar with your child, such as 'How long does a caterpillar sleep before it turns into a butterfly?'

Phonics

We will be continuing to work on Phase 4 and 5 of the phonics syllabus till the end of the summer term. This week we focused on phase 5 sounds ea, e-e, ee, e; for example, ea as in leaf, e-e as in theme, ee as in tree.

Homework – Please continue to practise writing words using the above sounds. Children should now be writing sentences independently and forming letters correctly. It is essential for your child to explore a wide range of rich vocabulary to support them with their learning.

Maths

Key words: number bond, how many, altogether

This week we learnt to add up to 10/20. We have been learning Addition (+). We have also been learning the symbols and using them to say whether we need to take away or add objects. **Some children are struggling with the symbols so please could you continue to go over these. Thank you.**

Next week we will be learning about subtraction using number lines, objects or counters. For example: $10-2=8$, $6-1=5$

Key words: Counting, numbers, take away, subtract, minus, less, sum, left

Homework– Help children to subtract numbers using different resources available at home. Then try to write them in number sentences.

Spellings:

Next week's words: dear, hear, near, will, back, from

Please practise with your child every day. Thank you

Question of the Week (Discovery homework question)

Who is your favourite famous sports person?
What do we need to be an athlete?

Highlight of the week:

A huge well done to OWL class for their fantastic performance.

Sports For Champions

We thoroughly enjoyed our workshop from Ms Holly Mills on Thursday 2nd May. Children took part in the promotion of living a healthier, active lifestyle. They participated in learning essential life skills as well as inspirational achievements of her journey to represent Great Britain.

We appreciate all donations of sponsorship money collected for Sports for Champions UK. Our school raised just over £650.

Song of the Week

5 tiny peas in a pea-pod pressed
one grew, two grew, then so did all the rest.
they grew and they grew and they did not stop
until one day the pod went ...

pop

Thank you!

The Reception Team
