## Sports For Champions

We had a wonderful visit from Great Britain's heptathlete

**Holly Mills** who came into school on the 2<sup>nd</sup> May and in the morning did an amazing assembly for the whole school. The children who raised the most money from the sponsors received an award from Holly. Then Holly did circuit training workshops with each class in the hall. The children really enjoyed it and had lots of fun. A great big thank you to everyone who brought back their sponsor forms. Our school raised just over £650.

Have a great weekend!
