Access to Doodle

Please note that there are 4 different apps such as Doodle Maths, Doodle Tables, Doodle English, and Doodle Spelling.

Parents/Carers would need to download all apps to access the different subjects. All pupils will have the same logins for all of the apps.

- **Cooking Money** - Please could we ask for a donate £1 towards purchasing ingredients for your child's cooking.
- **Nut allergies** - Just another reminder that we do not allow any nuts on school grounds including food that 'may contain nuts'.
- **Reading** - Please read with your child daily, write a comment in the yellow home/school dairy and ensure that his/her book bag is brought in daily.
- **Tissues** - Please could you send in a box of tissue and wet wipes. Your donations will be greatly appreciated.

Foundation Subjects

Science- Assessment on what we have learnt about plants.

PSHE - To write about what I want to be when I grow up and why?

Art - To create a painting using tints inspired by Paul Klee, by mixing colours to create other colours.

Question of the week

What is global warming? Is it a good or bad thing?
How can we help stop it?

IMPORTANT NOTICES

Mental Health Awareness Week. 13th - 19th May 2024

The children learnt a lot about how to manage our feelings through our mental health, as well as some of the things that we can do to stop us having bad feelings like doing breathing exercises, reading a book, drink some water and sometimes just talking to someone. The children and staff all wore something green to highlight Mental Health Week.

Eco Week- This week was ECO week at school and the children had fun learning about topics like Biodiversity, Energy, Wasting water, Global Citizenship, Healthy Living, Litter and how it can affect the world that we live in. We also had Mr Khan in for a special assembly on Monday, who told us more about the Milk Snake and the Red Eyed Tree Frogs that we have in our school.

Free Cycle Training- Every second Saturday of the month, April to October 2024, Hillingdon council will be offering a free range of Cycle Skills training for residents' families. From children learning to balance and those learning to ride for the first time, to adults (16+) wanting to enhance their cycle skills or gain confidence on the road.
