Attendance

- An important issue – children who succeed at school are those who attend.
- Punctuality is important – it is unsettling when their peers are altogether involved and they are just arriving.(all children to be in at 8.45am)
- No child is allowed to take time off during term time.
- Please make an appointment to see the Head teacher if you need time out of school holidays
- Always keep in touch and let us know why your child is away.
- Classes will be rewarded with a non-uniform day for 100% attendance.

WORKING TOGETHER - What can you do to get your child ready for Nursery ?

- All children must be able to use the toilet independently. Please keep a spare pair of clothes on their peg in a clearly named bag for accidents.
- Children need to be able to get themselves dressed and undressed independently, practice putting on their coats on their own at home.
- Share reading books everyday with them - visit the library if possible.
- Sing Nursery Rhyme songs to your child.

Administration

- Please ensure when you send in money you clearly mark the envelope with the name, amount and reason for payment.
- Please send in the correct amount.
- Also when returning forms, please fill out all the details including signatures and dates if required.

Mobiles

- No mobile phones on the school premises.
- Turn them off while you are here.
- When collecting and dropping off your child please be attentive.
