As little as 10 min per day will make
a **HUGE** difference!!!

Doodle is a creative learning tool that covers the core areas of Maths and English.

It is a personalised learning experience tailored to the needs of every child - improving their confidence and ability.

This will be a homework program for your children to do independently 10 minutes daily.

The /dʒ/ sound spelt as dge, for example in the word 'badge'.

Press the sound button to hear the sound.

To make this sound at the *end* of a word with a short vowel sound we can use the letters 'dge'.

For example:

Little Red Riding Hood (comprehension)

Little Red Riding Hood

Once upon a time, there was a girl called Little Red Riding Hood. She lived with her mother. One day, Little Red Riding Hood went to visit her grandmother and saw a wolf.

"Where are you going?" asked the wolf.

"I'm going to visit my grandmother," she said.

The wolf ran to Granny's house and locked Granny in the wardrobe. He put on her nightgown and got into her bed.

When Little Red Riding Hood came to the house, she said, "Oh Granny, what big ears you have."

Examples of Doodle Assessments

Count in multiples of 3 from 0, forwards and backwards

To **count in 3s** we keep **adding on 3**.
